## Profile Summary

Software Developer with hands-on experience in **JavaScript, React, Node.js, and Firebase**, backed by certifications in **AWS** and **Microsoft Azure**. Skilled in building **responsive web apps, API integrations**, and deploying **cloud-based solutions**. Brings strong **analytical problem-solving** and **collaboration skills** from compliance and operations roles, alongside practical projects such as a **wedding media upload app, portfolio site, and non-profit web solutions**.

## Skills

**Programming & Frameworks** — HTML5, CSS3, JavaScript, Python, React, Node.js, TypeScript

**Web Development & Security** — Responsive Web Design, Web Security, Functional Programming, Debugging, Cross-Browser Compatibility, Version Control

**Tools & Platforms** — Git, GitHub, Vite.js, WordPress, Microsoft Office, Microsoft PowerPoint, Power BI, Web Hosting, DevOps Basics, Agile Methodologies, API Integration

**Data & GIS Tools** — ArcGIS, ArcMap, ArcCatalog

**Core Competencies** — Analytical Thinking, Problem-Solving, Collaboration, Detail-Oriented

## Projects

**Wedding Media Upload App**, *React, Vite, Tailwind CSS, Firebase*

- Built a responsive web app for wedding guests to **upload and view photos/videos** in real time.
- Implemented **Firebase Storage & Firestore** for file handling, metadata, and secure access.
- Integrated features such as **QR code login, bulk downloads, lightbox previews, and captions**.
- Successfully deployed via **Firebase Hosting**; used by guests on mobile and desktop.

**Personal Portfolio Website**, *React, Tailwind CSS, React Icons, React Scroll*

- Developed a modern **portfolio site** to showcase projects and experience.
- Implemented **responsive design, smooth scrolling navigation, and custom styling**.
- Deployed and maintained via GitHub Pages.

**Maternal Aid Association Website**, *WordPress, TypeScript, HTML, CSS, JavaScript*

- Updated and maintained organisational website to improve **usability and outreach**.
- Built small **applications and scripts** to support internal global initiatives.
- Ensured **database security and IT support** for volunteer teams.

**Where? (Emergency Location App)**, *React Native, Expo, TypeScript, Google Places API*

- Designed a cross-platform app to help users **share live GPS coordinates and nearest landmarks** with emergency services.
- Integrated **Expo Location API** for real-time geolocation and **Google Places API** for landmark data.
- Focused on **minimal, stress-friendly UI** for quick emergency use.

## Work Experience

**Hult International Business School**, *Senior Visa Operations Coordinator*

04/2024 – Present

- Produced and delivered **policy updates and compliance content** for the school website, ensuring material remained accurate, accessible, and aligned with the latest UKVI regulations.
- Conducted detailed **data reviews and immigration health checks** to verify student eligibility, ensuring full compliance with sponsorship duties.
- Represented the institution at **UKCISA conferences**, translating regulatory changes into actionable updates for internal teams.
- Coordinated with operations and compliance colleagues to implement updates using **Agile-style collaboration** and clear documentation.

**Hult International Business School**, *Visa & Compliance Coordinator*

05/2023 – 04/2024

- Reviewed and validated student visa documentation in line with **UKVI standards**, streamlining checks for accuracy and compliance.
- Partnered with admissions, compliance, and student services to ensure smooth onboarding and regulatory adherence.

- Drafted procedural updates and responded to student compliance requests with **analytical and detail-oriented problem-solving**.

Gallagher, Global Privacy and Project Support Officer

09/2022 – 05/2023

- Maintained **GDPR and global data protection compliance** by providing policy documentation and review updates for acquisitions.
- Researched and reported on **data management and cloud solutions**, recommending improvements to data handling efficiency.
- Supported privacy projects through **collaboration with cross-functional teams**, ensuring regulatory standards were met.

Hult International Business School, Visa Coordinator

04/2022 – 08/2022

- Advised international students on the **UK Student Visa process**, ensuring applications aligned with up-to-date UKVI requirements.
- Prepared and reviewed visa applications and supporting documents for accuracy, reducing rejection risks.
- Delivered one-to-one guidance to students, applying **detail orientation and communication skills** to support positive outcomes.
